CYFA donates to the Youth Section of the Cyprus Red Cross Society

***Nicosia* - The Cyprus Fiduciary Association (CYFA) has made a donation to the Youth Section of the Cyprus Red Cross Society, as part of its social and corporate responsibility efforts and initiatives.**

The donation was presented by CYFA's General Manager, Christoforos Ioannou, to Youth Officer, Andrea Loizou, at the Red Cross offices in Nicosia on Thursday, 31 March 2022.

Ioannou said it was a duty and a privilege for CYFA to support the efforts of the Youth Section of the Cyprus Red Cross Society to "promote health, cultivate international friendship and relief human pain and suffering, irrespective of race, religion or nationality," adding:

"We look forward to continuing our efforts to assist and facilitate in any way we can such noble efforts."

Receiving the donation, Loizou thanked the CYFA General Manager for the "kind donation," noting that such gestures are very important to the Youth Section and the Cyprus Red Cross Society in general, especially in times of turmoil.

"I assure you, the money will be allocated in the best possible way for the purpose of identifying people in need and applying the seven fundamental principles that form the backbone of the Red Cross: Humanity, impartiality, neutrality, independence, voluntary service, unity and universality."

The Youth Section is addressing the needs of vulnerable people, focussing to the youth in nursery, primary, secondary schools and universities. It also provides educational activities and empowerment to youth.
