Seminar Aims and Objectives

The Cyprus Fiduciary Association in collaboration with the European Legal Training Center (ELTC) is organizing an independent live online seminar titled: **“Understanding Corporate Accountability: Liabilities of Directors and Secretaries in Cyprus Law”**.

Aims and Objectives:

Aims of the seminar:

- To provide comprehensive knowledge about the legal responsibilities and duties of company directors and secretaries under Cyprus law.
- To explore the various liabilities these roles entail, including statutory, fiduciary, and common law duties.
- To highlight the legal consequences of breaches of these duties and the potential for personal liability.
- To offer insights into the role these positions play in corporate governance and their impact on the functioning of a company.
- To equip participants with practical knowledge for managing these roles effectively and in compliance with legal requirements.
- To prepare directors and secretaries for complex legal scenarios they might encounter in their roles, using case studies and real-world examples.

Learning outcomes:

By the end of this course, participants are expected to:

1. Understand in-depth the statutory, fiduciary, and common law duties of directors and secretaries in Cyprus.
2. Recognize the various forms of liabilities that can arise due to non-compliance or breaches of duty in these roles.
3. Apply this knowledge to real-world scenarios, enhancing decision-making skills in corporate governance matters.

4. Develop strategies for effectively managing and mitigating legal risks associated with director and secretary roles.
5. Be aware of the legal remedies and defences available for directors and secretaries, including relief from liability and the ratification of actions.
6. Improve compliance with Cyprus corporate law through a better understanding of the legal landscape governing corporate governance.
7. Make informed decisions regarding the appointment, functioning, and management of directors and secretaries in a corporate environment.
8. Develop practical skills through case studies, such as drafting indemnity agreements and understanding the nuances of corporate law.

Methodology

- Interactive lecture with PowerPoint presentation with supporting legal references and case law.
- Case study and analysis and group discussion
- Practical exercises to apply legal concepts in real-world scenarios.
- Q&A sessions for in-depth understanding
