Speakers' Bio

Mr Stelios Dafereras
Systems/Network Engineer

With over 15 years of hands-on experience in IT Consulting, Installations, and Support, Stelios Dafereras is a seasoned professional in the world of technology. Holding a Bachelor of Science degree in Computer Systems, Networking, and Telecommunications, he is deeply knowledgeable about the intricacies of IT systems and cybersecurity.

For the past 6 years, he has been an essential member of the A.C. Slashopt Ltd team, where they have been entrusted with the responsibility of administering Business Network Infrastructures, managing Microsoft 365 environments, and implementing robust Security and Compliance policies. Their dedication to ensuring the integrity and resilience of digital ecosystems has positioned them as a trusted leader in the field.

As a Systems and Network Engineer, he is committed to staying at the forefront of technological advancements and cybersecurity best practices. They are passionate about safeguarding organizations against evolving cyber threats, making them an invaluable resource in the realm of IT security.

Join Stelios at the upcoming cybersecurity presentation to tap into their extensive expertise, gain valuable insights, and learn effective strategies for navigating the ever-changing landscape of cybersecurity.
