Seminar Aims and Objectives

Due to high demand, our speaker, **Ms. Sophia Nearchou** is returning for one more session of the independent live online (3-hour) seminar titled: ***“Navigating the New Era of Compliance: Trends, Tech, and Lessons from the Frontlines,”*** organized by the Cyprus Fiduciary Association.

Aims and Objectives:

This presentation aims to provide compliance professionals, financial institutions, and industry stakeholders with a comprehensive understanding of the evolving compliance landscape. It will explore emerging risks, technological advancements, and real-world case studies to equip participants with actionable insights to enhance their compliance strategies.

By the end of the session, participants will:

- **Understand Key Compliance Trends** – Gain insights into the future of compliance, including AI, digital assets, ESG, and regulatory shifts.
- **Analyze High-Profile Compliance Failures** – Learn from past enforcement cases to identify common pitfalls and red flags.
- **Explore AI & Technology in Compliance** – Assess the benefits and risks of AI in AML detection and transaction monitoring.
- **Recognize the Importance of Compliance Culture** – Understand behavioral risks, whistleblowing programs, and how to foster a strong compliance culture.

What Participants Can Expect

- **Expert Insights:** A deep dive into cutting-edge compliance trends and real-world enforcement cases.
- **Case Studies & Practical Lessons:** Analysis of major compliance failures and how to avoid similar pitfalls.
- **Interactive Discussions:** Engage in thought-provoking discussions on AI’s role in compliance and regulatory expectations.
- **Actionable Strategies:** Practical guidance on strengthening compliance programs and fostering a robust compliance culture.

This session is designed to be highly informative, engaging, and relevant to professionals navigating today’s complex regulatory environment.

Assessment Methodology:

For participants:

- Interactive lecture with PPP presentation
- Case Studies / Analysis / Discussion

- Practical scenarios insights to apply concepts
- Q & A Session for in-depth understanding

For Seminar Assessment:

Evaluation form that includes scale rating (1-5) on:

- Seminar Objectives & Learning Outcomes
- Seminar Content
- Seminar Teaching Methods
- Speaker Rating
- Provision for general comments
