### **Seminar Aims and Objectives**

The Cyprus Fiduciary Association proudly presents a live, independent webinar featuring Ms. Androulla Poutziouris, titled: **“Trustee Liability and Risk Management.”**

This **three-hour** online course offers an in-depth analysis of trustee obligations, breach of trust scenarios, exemption and indemnity clauses, and best practices for managing legal and financial risk in the administration of trusts under Cyprus law. Through real case law, practical scenarios, and strategic drafting guidance, participants will understand how to navigate personal liability, preserve indemnity rights, and construct robust trust instruments that anticipate risk.

#### **Aims and Objectives:**

By the end of this course, participants will be able to:

- Identify the legal principles that determine when a trustee is in breach of trust under Cyprus law
- Distinguish between personal and proprietary liability in trust administration
- Analyse the remedies available to beneficiaries and explain how equitable compensation, falsification, and surcharge operate in practice
- Evaluate the legal validity and enforceability of trustee exemption clauses in light of case law and public policy
- Explain the scope of a trustee’s right to indemnity and the operation of equitable liens
- Assess practical challenges arising when trust assets are insufficient, and outline the limits of indemnity in cases of breach or misconduct
- Interpret the legal risks trustees face when contracting with third parties and determine how indemnity provisions can mitigate those risks
- Propose appropriate indemnity protections for retiring trustees and evaluate the implications for successor trustees
- Recommend best practices for managing trust distributions in the presence of unresolved or contingent liabilities
